Please follow our Facebook page for updates and  
changes in hours and days during COVID-19 (Project  
DAWN Cuyahoga County)

**This program is for individuals who use opioids or individuals who know someone who uses opioids and is at risk of opioid overdose. Common opioids include heroin, OxyContin, methadone, Percocet and fentanyl.**

**We will teach you how to recognize an overdose, how to respond to an overdose and how to administer naloxone to reverse an opioid overdose. We will provide you with a free kit containing the lifesaving opioid overdose antidote naloxone.**

**Come to any open walk-in clinic or call MetroHealth Project DAWN at 216-778-5677**

**Visit us at: [www.metrohealth.org/projectdawn](http://www.metrohealth.org/projectdawn)**

*Funding for Project DAWN is provided by the MetroHealth System; The Ohio Department of Health, The Alcohol Drug and Mental Health Services Board of Cuyahoga County and the Substance Abuse and Mental Health Services Administration.*
