

Improve efficiency, productivity and outcomes through Essentials - a new business line of The Center for Health Affairs.

This platform is available for CHAMPS GPO Members. Through your affiliation with The Center for Health Affairs, CHAMPS GPO and CHAMPS Oncology, you can take advantage of our exclusive partnership with Procurement Partners. To learn more about becoming a CHAMPS GPO Member, visit CHAMPSGPO.com.

PROCURE-TO-PAY PLATFORM

powered by Procurement Partners

The CHAMPS Group Purchasing procure-to-pay (P2P) platform provides a comprehensive supply chain purchasing and automation experience from point-of-order to payment. The new platform drives efficiency of purchasing, invoicing, and auditing for both members and suppliers of CHAMPS GPO.

HIGHLIGHTS

- Increased supplier contract compliance, electronic order approval workflows and complete transparency of all purchases
- Centralized or location based budget management and spend tracking through dashboards and real-time data visibility
- Streamlined and consistent month-to-month invoices processes to improve vendor payment timelines

BENEFITS

- Combine volume purchasing savings with operational savings to impact your bottom line
- Seamless connection to organizations' vendors, products, pricing and delivery terms
- Basic functionality included with CHAMPS GPO Membership

ELIGIBILITY

- Members and Suppliers of CHAMPS Group Purchasing
- Nationwide
- To learn more about becoming a CHAMPS GPO Member, visit CHAMPSGPO.com
